SUBJECT:

Comments on Rocky Flats Draft Final Phase I Resource Conservation and Recovery Act Facility Investigation/Remedial Investigation Work Plan for Operable Unit 10

TO:

Frazer Lockhart, Rocky Flats Office

The Office of Southwestern Area Programs, Rocky Flats/Albuquerque Production Division (EM-453), has reviewed the above-referenced document and is providing the attached comments. Please address these comments before the document is finalized.

This review was conducted to assess the responsiveness to EM-453's comments on the Draft Final Phase I Work Plan for Operable Unit 10 dated October 1991. The following coding was employed to reflect responsiveness:

- "Y" = Yes, the comment was covered;
- "N" = No, the comment was not covered;
- "NA" = No longer applicable based on changes not made specifically to address this comment; this notation is also used to identify comments that did not require specific changes;
- "P" = Partially covered response to comment; and
- "A" = Additional comment resulting from response to original comment or changes made to document that impact its content differently than discussed in original comment set.

Call me at FTS 233-8191 if you have any questions related to this request.
